DECLARATION OF MICHAEL G. BURK IN SUPPORT OF
PLAINTIFF'S RESPONSE IN OPPOSITION TO DEFENDANTS STEVE DIXON'S AND
MUSIC TOUR MANAGEMENT, INC.'S MOTION TO DISMISS

1. "My name is Michael G. Burk. I am over the age of 21, of sound mind, and competent to make this declaration. I have personal knowledge of the facts contained herein.

2. I am the lead counsel for Plaintiff in the above-mentioned proceeding. I have reviewed the information, material and documents discussed herein and attached hereto and I am familiar with said information, material and documents. The documents attached hereto are true and correct copies of the originals.

3. Attached as **Exhibit "A"** to this declaration is a true and correct copy of the "Declaration of Michael G. Burk" which I signed on April 30, 2010 and which was filed that same day as an exhibit to Plaintiff's Response in Opposition to Defendants' Motion to Transfer Venue to the Central District of California. In my April 30th Declaration, I discussed and

attached evidence (as Exhibit “C” to my April 30th Declaration) showing that Dixon’s home was in Texas and that MTM was based in El Paso, Texas (that Exhibit “C” to my April 30th Declaration is also attached to Exhibit “A” to this Declaration). *See* Exhibit “A.”

4. Attached as **Exhibit “B”** to this declaration is a true and correct copy of the “About Us” and “Portfolio” pages from the MTM website which were downloaded and printed on April 28, 2010. In reviewing the attached Exhibit “B,” I learned that Dixon and MTM served as the “Show Producer” and “Co-Production Designer” for the Britney Spears “Circus” tour. In reviewing the attached Exhibit “B,” I also learned that Dixon and MTM worked on “Production Design” and as the tour director for the Justin Timberlake “Future Sex Love Show” tour.

5. Attached as **Exhibit “C”** to this declaration is a true and correct copy of the “Tour Direction and Production Management” page from the MTM website which were downloaded and printed on October 13, 2010. In reviewing the attached Exhibit “C,” I have learned that Dixon and MTM modified the MTM website since I reviewed it last spring. In reviewing the attached Exhibit “C,” I have learned that Dixon and MTM now state that they provided “Tour Direction and Production Management” services for the Justin Timberlake “FutureSex LoveShow” tour and the Britney Spears “Circus” tour. In connection with providing “Tour Direction and Production Management” services, Dixon and MTM state that they engage in “[a]ssisting with any and all aspects of a concert tour ... which can included overall operations, routing, bookings, venue deals, vendor deals, logistics, planning, and staffing.”

6. Attached as **Exhibit “D”** is a true and correct copy of the “Tour Management and Accounting” page from the MTM website which were downloaded and printed on October 13, 2010. In reviewing the attached Exhibit “D,” I have learned that Dixon and MTM now state that they provided “Tour Management and Accounting” services for the Justin Timberlake

“FutureSex LoveShow” tour. In connection with providing “Tour Management and Accounting” services, Dixon and MTM state that they provide “a supervisory role of [sic] all business components of a tour, including all logistics and traditional payroll services for personnel and travelling parties.”

7. Attached as **Exhibit “E”** is a true and correct copy of an article downloaded from the www.wanetics.com website wherein Steve Dixon discusses telecommunications challenges for the Justin Timberlake “FutureSex LoveShow” tour. In reviewing the attached Exhibit “E”, I have learned that Steve Dixon is referred to in that article as the “Business Manager for the Justin Timberlake FutureSex/Loveshow.”

8. Attached as **Exhibit “F”** is a true and correct copy of an article from the September 9, 2009 edition of the El Paso Times entitled “The Ringmaster: El Pasoan Steve Dixon stages Britney Spears extravaganza.” In reviewing the attached Exhibit “F”, I have learned that Steve Dixon is identified as the “tour director and production designer” for the Britney Spears “Circus” tour and that he “oversees virtually every aspect of the operation, including 46 performers, a 21-person crew and 28 semi-trailers worth of gear.” I have also learned that “Music Tour Management conducts its business from El Paso.” I have further learned that Jerry Dixon “helps with the bookkeeping” for MTM. I have still further learned that Steve Dixon is the former “regional director for Ticketmaster in Houston.”

9. Attached as **Exhibit “G”** is a true and correct copy of a document retrieved from Westlaw on October 12, 2010 during a search of the Real Property Tax Assessor Record database. In reviewing the attached Exhibit “G”, I have learned that as of August 27, 2010, Steve Dixon was listed by Riverside County, California Tax Assessor as an absentee owner the property at 2186 N. Starr Rd., Palm Springs, CA 92262, and that Steve Dixon’s mailing address

on record at the Riverside County, California tax assessor's office was, as of August 27, 2010, 4525 Willow West Dr., El Paso, Texas 79922.

10. Attached as **Exhibit "H"** is a true and correct copy of the Annual List of Officers, Directors and Registered Agent and State Business License Application of Music Tour Management, Inc., which was filed with the Nevada Secretary of State on December 14, 2009, along with a print-out of an October 28, 2010 search for MTM on the Nevada Secretary of State website. In reviewing the attached Exhibit "H", I have learned that MTM is incorporated in Nevada. I have also learned that on December 3, 2009, Steve Dixon signed Exhibit "H" and listed himself as MTM's President and its sole Director, and that he listed his address as 4525 Willow West, El Paso, Texas 79922. I have also learned that according to the Nevada Secretary of State records for MTM as of October 28, 2010, Steve Dixon may still be found at 4525 Willow West Dr., El Paso, Texas 79922.

11. Attached as **Exhibit "I"** is a true and correct copy of the Articles of Incorporation for Hurly Burly Partners, Inc. which was filed with the Nevada Secretary of State on April 7, 2010, and the Initial List of Officers, Directors and Registered Agent and State Business License Application ("Initial List") for Hurly Burly Partners, Inc. which was filed on May 10, 2010. In reviewing the attached Exhibit "I", I have learned that on April 15, 2010, Steve Dixon signed the Initial List for Hurly Burly Partners, Inc. and listed his personal address as its President and Director at 4525 Willow West Dr., El Paso, Texas 79922.

12. Video recordings of an infringing performance put on by Defendants Justin Timberlake/Tennman Productions, LLC are available for sale in the Eastern District of Texas and have been purchased in the Eastern District of Texas. Attached as **Exhibit "J"** to this Declaration is a true and correct copy of a receipt evidencing the purchase from a Best Buy store

in Tyler, Texas, of a video recording of a Timberlake FutureSex/LoveShow performance that features the display screen used by Timberlake/Tennman which Plaintiff has alleged in this lawsuit to infringe upon Plaintiff's patent.

I declare under penalty of perjury of the laws of the United States of America that the foregoing is true and correct."

Executed on October 29, 2010.

A handwritten signature in blue ink, appearing to read "Michael G. Burk", is written over a horizontal line. The signature is stylized with a large, looped initial "M" and a long horizontal stroke extending to the right.

DECLARATION OF MICHAEL G. BURK

1. "My name is Michael G. Burk. I am over the age of 21, of sound mind, and competent to make this declaration. I have personal knowledge of the facts contained herein.

2. I am the lead counsel for Plaintiff in the above-mentioned proceeding. I am familiar with Plaintiff's business operations and the patent at issue in this proceeding. I have also reviewed the materials discussed herein and am familiar with those materials.

3. I have reviewed flight information for flights to and from Shreveport, Louisiana. Based upon my review, I have found regular flights from Los Angeles, New York, Nashville, El Paso, and many other cities to Shreveport, Louisiana and back.

4. I have also reviewed information relating to business entities of Defendant Britney Spears, including Defendant Britney Touring, Inc. and another entity called Britney On-Line, Inc. (the latter is not a party to this lawsuit). This information is attached hereto as **Exhibit A**, which are true and correct copies of the originals. Based upon my review of these documents,

EXHIBIT A

I have learned that Defendant Britney Touring, Inc. is incorporated in the State of Louisiana. I have also learned that Defendant Britney Spears is a director of Defendant Britney Touring, Inc. I have also learned that prior to the filing of this lawsuit through March 1, 2010, the address given for Defendant Britney Spears as a director of Defendant Britney Touring, Inc. was 14550 Greenwell Church Rd., in Kentwood, Louisiana. I have also learned from the Louisiana Secretary of State records that on March 1, 2010, which was after the filing of this lawsuit, and just eleven days before Defendants filed their Motion to Transfer Venue, the address for Defendant Britney Spears as director of Defendant Britney Touring, Inc. was changed to Brentwood, Tennessee. From the Louisiana Secretary of State records I have also learned that Brentwood, Tennessee is also the address given for James Spears and Andrew Wallet, who are respectively the president and vice president of Defendant Britney Touring, Inc. However, based upon my review of the documents attached as Exhibit A, I have learned that the address in Kentwood, Louisiana is still listed as the address at which Defendant Britney Spears can be found in her capacity as a director of Britney On-Line, Inc. Based upon my review of Louisiana Secretary of State records, I have also learned that Defendant Britney Touring, Inc. is still in existence and in good standing with the Louisiana Secretary of State.

5. I have also reviewed information relating to Defendant Justin Timberlake and Defendant Tennman Productions, LLC, including the documents attached hereto as **Exhibit B**, which are true and correct copies of the originals. Based upon my review of these documents and other information, I have learned that Defendant Timberlake owns and/or operates an entity called Just Us I, LLC. I have also learned that Just Us I, LLC owns a condominium in Manhattan, New York, that was purchased in 2008. I have also learned that Defendant Timberlake signed the deed for this luxury condominium on behalf of Just Us I, LLC. Based

upon my review of these documents, I have also learned that the only address that the Delaware entity Tennman Productions, LLC has provided to the Delaware Secretary of State is a Delaware address at 1209 Orange Street, Wilmington, Delaware 19801. After extensive searching, this Delaware address is the only address that could be found for Tennman Productions, LLC.

6. I have also reviewed information relating to Steve Dixon and his company, Music Tour Management, Inc., including the documents attached hereto as **Exhibit C**, which are true and correct copies of the originals of records obtained from Westlaw, the Nevada Secretary of State, and from the Music Tour Management, Inc. website. Based upon my review of these documents, I have learned that Music Tour Management, Inc. is based in El Paso, Texas, and that Steve Dixon is its president. I have also learned from my review of these documents and specifically those obtained from the Music Tour Management, Inc. website that Music Tour Management, Inc. promotes itself as being the "Show Producer" and "Co-Production Designer" for the Britney Spears Circus Show, and as being the "Tour Director" for the Justin Timberlake Tour of 2007-08 (which was the "FutureSex/LoveShow Tour" that Plaintiff alleges in this lawsuit to have infringed upon the patent in question). I have further learned from the Nevada Secretary of State records that are part of Exhibit C that Jerry Dixon is the treasurer and Patricia Dixon is the secretary of Music Tour Management, Inc. Based upon my review of these documents from the Nevada Secretary of State records that are part of Exhibit C, I have learned that both Jerry Dixon and Patricia Dixon may be found at 4525 Willow West, El Paso, Texas. I have also learned these Nevada Secretary of State corporate records for Music Tour Management, Inc. also show that Steve Dixon is located at 4525 Willow West, El Paso, Texas. Based upon my review of these documents I have further learned that information found on Westlaw regarding Steve Dixon's purchase of a property at 2186 N. Starr Road, Palm Springs,

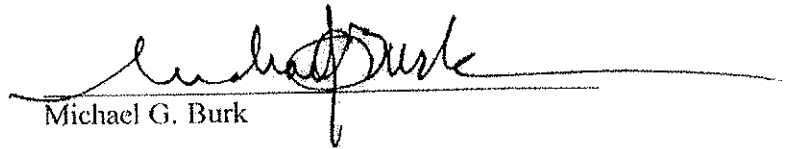

California show that he is an absentee owner of said property and that his mailing address is 4525 Willow West, El Paso, Texas. I have also learned from the results of a very recent search on Westlaw that it appears that Mr. Dixon's most recent residence is in Houston, Texas.

7. Video recordings of an infringing performance put on by Defendants Justin Timberlake/Tennman Productions, LLC are available for sale in the Eastern District of Texas and have been purchased in the Eastern District of Texas. Attached as **Exhibit D** to this Declaration is a true and correct copy of a recent receipt evidencing the purchase from a Best Buy store in Tyler, Texas, of a DVD of a Timberlake FutureSex/LoveShow performance that features the display screen used by Timberlake/Tennman which LADS has alleged in this lawsuit to infringe upon LADS' patent.

8. I have also reviewed information relating to media coverage in Los Angeles. Included in the information I have reviewed is the following coverage of Britney Spears' unsuccessful attempt to attend a hearing in another legal proceeding: http://www.youtube.com/watch?v=s-VZ90_gwfY. Based upon my review of that coverage it appears that Defendant Spears attempted to attend a hearing in a legal proceeding in Los Angeles but was unable to do so because of the very large crowd that had gathered at the courthouse. Based upon my review of this and other information and instances of celebrity trials nationally televised from Los Angeles, I have seen the extreme media coverage that celebrities receive in Los Angeles. This has not been a problem so far in this lawsuit in Marshall, Texas and to date only one media representative has attempted to contact LADS or its attorneys regarding this lawsuit.

I declare under penalty of perjury of the laws of the United States of America that the foregoing is true and correct."

Executed on April 30, 2010.

About Music Tour Management, Inc.

Steve Dixon and his team are leaders in the field of tour direction, management and administration. He has over 16 years of experience in the live entertainment field; his results as a touring industry professional speak for themselves. A proven history of bringing a client's touring business "back into the black," it is Steve's belief that his depth of perspective is the necessary ingredient for the planning and management phases of each tour. Furthermore, such experience must be utilized to effectively manage expectations, timelines, and costs.

In addition to managing the business model, Steve's creative energy is evident via participation in and guidance of the production and staging for several clients. Incorporating energy and an enveloping nature, critical acclaim for the technical and staging design is ever-present. Referencing Steve's initial designs for the 2007 Justin Timberlake "FutureSex LoveShow":

A fascinating and spectacular show with moments of breathtaking intimacy. A design that was unmatched by anything else in 2007... an outstanding overall concept, its technical presentation and a choreography timed to the minute his "FutureSex LoveShow" set the standards for the coming years in live entertainment.

Source: "Hallen-/Arenatourneess des Jahres: mpe music pool europe · Justin Timberlake / "Future-SexLoveShow." muskmarkt & muskmarkt live 3 Dec. 2008.

Creating a set that adds to the artist's base material is a special talent. Alicia Keys' 2008 "As I Am Tour" utilizes a concept brought from the drawing board to arena floor, always keeping in mind the special artistry of the client.

The stage is crazy because it's simple but it's visually stunning. I always call it my little spaceship...There are also screens above the stage that display everything from gorgeous visuals to live footage of whatever we're doing. It's very artistic and gorgeous. It's not only a musical experience, but it's a visually moving experience as well. And everything just lives together in this way that takes you on a trip. It's just magical and so beautiful. —Alicia Keys

Justin Timberlake FutureSex/LoveShow

FutureSex/Love Show- Saving Money With WANetics!

The Justin Timberlake FutureSex/Loveshow might be the biggest tour of the 2007 season.

A single show can include thousands of dollars worth of Internet connections, phone lines and usage. Communication is constant, and often costly. In years past, a major tour would require up to two dozen phone lines and up to half a dozen Internet drops. With conventional technology, the bill would often be in excess of \$5,000 a show.

However, Justin Timberlake and his team are innovators. Audiences have never seen anything like the FutureSex/Loveshow. And those working behind the scenes have never been so well connected. The tour manages its communication costs by traveling with its own system. Instead of using the network and phone system provided at each venue, Timberlake's enormous entourage of band, dancers, crew, and drivers tour with a system designed by WANetics, LLC of Chicago, IL.

Within each tour office is a single road case that contains a laser printer, secure WiFi, customized storage for phones and cables, and an advanced Power over Ethernet switch. This switch provides a network connection as well as power to each phone.

Phone quality is excellent throughout the world, even when Internet quality is limited. Managed and monitored, the system remains reliable and tuned to the tour's requirements no matter what city they might find themselves in.

In practice, the establishment of the communications system in any given city on the tour is quick and easy. Within minutes, Internet and phone capability is up on the first office and begins to spread to the other offices.

Free international calls home are available to anyone on the tour from public backstage phones. Each member of the office staff has their own dedicated extension on a full featured corporate phone system. Voicemail and extension dialing within the tour are the same in every city. Incoming fax numbers never change and are routed by email to all the right people.

The VoIP technology permits a consistent US presence number to be used throughout the tour. It also facilitates international presence numbers so that in Europe, for instance, US callers can use the primary US number and European callers can use numbers based out of other cities such as London, Frankfurt or Paris.

According to Steve Dixon, Business Manager for the Justin Timberlake FutureSex/Loveshow, "With traditional service, telecom bills for a large arena tour could cost thousands of dollars a night. WANetics offers a truly professional grade WiFi and VoIP system that can save any tour a lot of money". The tour is even able to provide several free phones for public use throughout the backstage area, allowing crew members to phone home at no charge.

Janet Rogers, CEO of WANetics explains, "The system gives the tour an exceptional ability to manage bandwidth, which can be limited on the road. On most large tours the Internet is completely unusable by 4pm. We are able to make sure that tour management and production has access no matter how intense the demand is."

While a group tours, the system knows the tour schedule and keeps the auto-attendant and greetings up-to-date and communications in step. WANetics technology can be found this season in other tours including Genesis, Incubus, Guns 'n Roses and Hilary Duff.

I've dealt with, is probably one of the best ones out there," she said. "He knows his business."

So how did the California-born son of a commercial airline pilot come to be a top touring honcho? It wasn't easy.

Steve Dixon is the son of Jerry and Patricia Dixon. He graduated from Coronado in 1982 with dreams of becoming a pop star. But he wasn't in harmony with higher education, failing out of, among others, El Paso Community College, UTEP and the University of Texas at Austin.

"I told my father I didn't spend seven years in junior college for nothing," he said with a laugh. "I was a musician. I didn't care. I was going to school because my parents made me."

Proud father Jerry Dixon, who now helps with the bookkeeping, said he has measured his son's success in dollars and cents. "It's been growing over the years," said the senior Dixon, 76. "You can tell by the amount of money he commands that he's obviously getting up there."

Steve Dixon's big break was meeting Barbara "Mother" Hubbard, the scion of the Southwest concert industry, who put New Mexico State University's Pan American Center on the map. She offered to show him the ropes if he'd maintain a C average.

"I figured he would go far," said Hubbard, 82. "He .. tried to be the next Neil Diamond, and I just told him, 'You'd make more money if you learn the business side of this.' That's what he did."

He worked his way up from cleaning bathrooms to handling the marketing. He also graduated from New Mexico State with degrees in journalism and business. His first job was as regional director for Ticketmaster in Houston. But Dixon wasn't cut out for the 9-to-5 life. He tried restarting his music career.

Then, out of the blue, he got a call from Hubbard, who said Wynonna Judd was looking for him.

Judd hired him for a 1994 tour. Dixon later persuaded Barry Gibb to put the Bee Gees back together for their "One Night Only." He worked for Michael "Riverdance" Flatley's "Lord of the Dance" for two years in Europe and the Middle East before returning to the United States after his mother was diagnosed with pancreatic cancer. She beat it.

Soon after, he got a call to come work for "an artist who was breaking and needed help."

Britney Spears.

Dixon has worked on all of her tours, rising from tour accountant to tour director and production designer. His company, Music Tour Management, conducts its business from El Paso.

Among his innovations on the "Circus" tour are the 80 high-priced (\$500 in El Paso) ringside seats that circle the stage.

"Some of these artists hate that abyss, the six feet between the barricade (that separates them

from the crowd), because it's so impersonal," he said. "So we came up with a way to turn the chairs into the barricade."

He has carved out a niche by running tours that control costs while offering more bang for fans' bucks. "My forte became profitability. ... I stole the catch phrase from the film business -- that you spend money where people see it and don't spend where they don't," Dixon said.

His style is to keep the lines of communication open among all the parties involved. It wasn't like that when he got into the teen pop touring business in the late 1990s.

"Nobody was communicating to find out what the problems were once a tour was over," he said. "You're licking your wounds instead of preventing a train wreck."

Of course, that's what a lot of people think Britney Spears is. She is slowly overcoming that image.

Dixon said the singer has good creative instincts, knows how to entertain an audience and is doing well on this tour.

"She has an amazing level of creativity, and she's keenly aware of the audience. Listen, she's gone through a bad time, but she's back. Back better than ever."

He's got her back, too. When asked how she was holding up, Dixon answered carefully.

"The only thing I'll say about her private life is one thing that's important for any of these celebrities when they're working hard is they have to find balance," he said.

"That's one thing we're all focused on, to help her keep balance. She works hard, spends a lot of time with her family. But ... when she pops out of the stage and is doing her show is when she shines."
